How we work

01 **Discovery call.** Free, 30 minutes, about your business and goals.

02 **Proposal and deposit.** Written scope, timeline and price.

03 **Design.** First designs for review, then up to 2 revision rounds.

04 **Build and approval.** A private preview; nothing goes live until you approve.

05 **Launch and handover.** We publish, hand over all files and logins, and train you.

Terms

- **Payment:** 50% deposit to start, 50% on approval before launch. Projects over $1,500 may be split 40 / 40 / 20.
- **Revisions:** 2 rounds per stage included; extra rounds $99 each.
- **Your content:** text, photos and logins supplied on time, or add copywriting. Content delays move the launch date.
- **Ownership:** all designs, files and the website are yours once the final payment is made.
- **Validity:** prices valid for 30 days from the date of this letter and exclude local taxes.

20% **Founding client offer.** Our first 5 clients receive 20% off any package, in return for a short testimonial and permission to show the project as a case study.

To get started, reply to this letter or book a free discovery call by WhatsApp or email at codelinestudio1@gmail.com. I look forward to building your brand with you.
